Friendly Reminders & Helpful Hints

- ◆ **The schools are very strict on our start times; please remember you may not enter the buildings before the start time listed below. If you arrive early you will have to wait in your vehicles. Please make sure to not park in the school bus loops. The quicker the students can exit the school premises the quicker we can get into the facilities.**
- ◆ The Divisioning teams at each site will let you know when you are done and may leave, please do not continually ask if you are done or leave the Divisioning site without approval from the Divisioning team. Keep in mind continually asking slows down the Divisioning process.
- ◆ Please keep in mind we have a very large group of teams who we will be working on placing into good divisions, we will try our best to get you in and out as fast as possible, but we also want to be as accurate as possible when divisioning.
- ◆ Failure to show up or failure to be able to field a team with your registered players to the preliminary divisioning rounds of play will result in an automatic participation ribbon for the tournament.
- ◆ All preliminary games will be 6-minutes in length. Teams must play their best 5-players during the first 4-minutes.

Thanks and see you at the Basketball Championships!
