Independent Auditors' Report

Board of Directors
Special Olympics Virginia, Inc.
Richmond, Virginia

We have audited the accompanying financial statements of Special Olympics Virginia, Inc., (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Special Olympics Virginia, Inc. as of December 31, 2015, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report of Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary chapter and areas information on the statements of financial position and activities is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Summarized Comparative Information

We have previously audited the Organization's 2014 financial statements, and our report dated June 5, 2015, expressed an unmodified audit opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2014, is consistent, in all material respects, with the audited financial statements from which it has been derived.

See accompanying notes.

Notes to Financial Statements

1. Organization and Nature of Activities

Special Olympics Virginia, Inc. (Organization) is a nonstock corporation that provides year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities at no cost to the athletes or their families. The Organization includes the combined accounts of the state chapter and its area programs.

Special Olympics teaches us that we are all vulnerable and valuable at the same time by using sports to unite people with and without disabilities. Our program, however, is about more than just sports. Special Olympics Virginia's year round programs in health, education and community building address inactivity, injustice, intolerance and social isolation by encouraging and empowering people of all abilities.

There are approximately 140,000 people in Virginia with intellectual disabilities and about 8 million without. Our goal is to reach out to every one of them. In the coming years, we will place greater emphasis on uniting youth with and without disabilities. We will also create opportunities for families, community members, local leaders, businesses, law enforcement, celebrities, dignitaries and others to band together to change attitudes and support our athletes.

Our vision is to inspire the First Unified Generation.

2. Summary of Significant Accounting Policies

Classes of net assets

The financial statements report amounts separately by classes of net assets as follows:

Unrestricted amounts are those currently available at the discretion of the Organization's Board of Directors for use in operations and those resources invested in property and equipment.

Unrestricted board designated amounts are those currently designated by the Organization's Board of Directors from unrestricted funds for specific purposes.

Temporarily restricted amounts are those which are stipulated by donors for specific operating purposes or for the acquisition of property and equipment. When a donor restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Revenue whose restrictions are met in the same year is reflected as unrestricted revenue.

Permanently restricted amounts are those restricted to investments in perpetuity, the income from which is expendable in accordance with the conditions of each specific donation.

All contributions are considered available for unrestricted use unless specifically restricted by the donor or subject to other legal restrictions.

Chapter and area information

The Organization accounts for all activity according to whether it is a chapter or area activity. Accordingly, all financial transactions have been reported by these groupings. The Chapter and Area information is presented for purposes of additional analysis and is not a required part of the financial statements.

Special Olympics Virginia, Inc.
Notes to Financial Statements

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements. Such estimates also affect the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and assumptions.

Cash and cash equivalents

The Organization considers all short-term debt securities purchased with a maturity of three months or less to be cash equivalents. Cash and cash equivalents does not include amounts that are part of managed investment accounts. These amounts are included with certificates of deposit and investments on the statement of financial position.

Property and equipment

Property and equipment are stated at cost. Expenditures for repairs and maintenance are expensed as incurred. Additions and betterments are capitalized. The cost and related accumulated depreciation on property and equipment sold or otherwise disposed are removed from the accounts and any gain or loss is reported in current year's operations.

Depreciation and amortization are provided for using various methods over the estimated useful lives as follows for the major classes of assets:

Equipment	4 - 7 years
Furniture	5 - 10 years
Vehicles	5 years
Computer software and website	3 - 4 years
Leasehold improvements	10 years

Contributed materials and services

The value of contributed materials and the value of contributed services that either (a) created or enhanced a nonfinancial asset or (b) required specialized skills, was provided by individuals possessing those skills, and would have been purchased if not contributed, are recorded at their fair values in the period received.

The Organization receives contributed services from a variety of unpaid volunteers assisting the Organization in the providing of sports training and athletic competition. The volunteer services are provided primarily by coaches and officials. The value of the contributed services provided by these volunteers in 2015 was \$2,080,297. The value of contributed materials in 2015 provided to the Organization was \$572,603.

In addition, the Organization received contributed services that have not been recognized in the statement of activities because the criteria for recognition under accounting standards have not been satisfied. These volunteer services are provided primarily by area and local coordinators and event management teams. The value of these donated services totaled \$1,593,716 for 2015.

Income taxes

The Organization is exempt from federal and state income taxes as a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code and the tax statutes of the Commonwealth of Virginia and will be taxed only to the extent it has taxable trade or business income unrelated to its exempt purpose. Accordingly, the accompanying financial statements do not reflect a provision or liability for federal and state income taxes.

Special Olympics Virginia, Inc.
Notes to Financial Statements

Concentration of credit risk

Financial instruments that potentially subject the Organization to concentrations of credit risk consist principally of cash and investments. To minimize risk, the Organization places temporary cash investments with high credit quality financial institutions and monitors its investments. Accounts at each institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. The Organization has not experienced any losses in such accounts. As of December 31, 2015, the uninsured balances are approximately \$2,584,264. The Organization believes it is not exposed to any significant credit risk on its cash balances.

Advertising costs

The Organization expenses advertising costs as they are incurred. Advertising expense was \$5,410 for 2015.

Contributions

Contribution receivables are carried at their estimated realizable value. The Organization has recorded an allowance for doubtful accounts of \$10,000 at December 31, 2015 related to its telemarketing contract with a fundraising consultant.

Subsequent events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through May 31, 2016, the date the financial statements were available to be issued.

3. Pledges Receivable

The Organization has unconditional pledges receivable at December 31, 2015 as follows:

2016	\$	75,000
2017		25,000
2018		5,000
2019		5,000
		<hr/>
	\$	110,000

All pledges are deemed collectible and no discount is deemed necessary as the balances approximate fair value. In order to simplify their accounting process for pledges receivable, the Organization has elected to record all pledges at fair value.

4. Investments

Investments are reported at fair value. The cost and fair value of the investments at December 31, 2015 are as follows:

	<u>Cost</u>	<u>Fair Value</u>
Money market funds	\$ 121,022	121,022
Corporate bonds	313,632	314,823
Common stock	815,796	953,448
Mutual funds	2,887,468	2,812,860
	<hr/>	<hr/>
	\$ 4,137,918	\$ 4,202,153

5. Fair Value Measurements

Accounting standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Organization has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2015.

Mutual funds, common stock, corporate bonds, and money market funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Pledges receivable: Pledges receivable are reported at net realizable value if at the time the promise is made, payment is expected to be received in one year or less. Pledges receivable that are expected to be collected in more than one year are reported at fair value which is calculated as the present value of the expected cash flows to be received.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Special Olympics Virginia, Inc.
Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Organization's assets at fair value as of December 31, 2015:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds, equities:				
Large cap growth	\$ 310,378	\$ -	\$ -	\$ 310,378

Special Olympics Virginia, Inc.
Notes to Financial Statements

The table below sets forth a summary of changes in the fair value of the Organization's Level 3 assets for 2015:

	<u>Pledges Receivable</u>
Balance, beginning of year	\$ 184,000
Current year pledges	60,000
Payment on pledges	<u>(134,000)</u>
Balance, end of year	<u>\$ 110,000</u>

6. Property and Equipment

Property and equipment consist of the following at December 31, 2015:

Equipment	\$ 148,559
Furniture	144,926
Vehicles	110,585
Computer software and website	237,809
Leasehold improvements	<u>282,343</u>
	924,222
Accumulated depreciation	<u>(497,268)</u>
Property and equipment, net	<u>\$ 426,954</u>

7. Borrowing Facility

The Organization has an open end revolving line of credit agreement with SunTrust Bank. Total borrowings available under the agreement are \$300,000, with interest at the one-month London Interbank Offered Rate (LIBOR) plus 2.0%, with a minimum rate of 3.0%. The borrowings are uncollateralized and due on demand. At December 31, 2015, there are no outstanding borrowings. There were no borrowings under this agreement during 2015.

8. Beneficial Interests

When the Organization is named the beneficiary of a trust or estate, the contribution portion of this type of agreement is recognized as revenue when the Organization has the unconditional right to receive benefits under these agreements. The contribution is measured based on the expected future payments to be received using federal discount rates and life expectancy tables.

During 2015, the Organization received notification that it would be receiving funds as a named beneficiary in a charitable remainder trust and an estate. The fair value of the Organization's portion of these assets was \$89,000 and \$40,500, respectively, at December 31, 2015. No discount rates were applied to these contributions as they will be received by the Organization in less than one year.

Additionally, the Organization has been named as the remainder beneficiary of four charitable remainder trusts. There is insufficient financial information for this measurement to be calculated and, therefore, no amounts have been recognized for the beneficial interest in these trusts.

9. Benefit Events for Special Olympics Virginia, Inc.

Benefit events consist of the following for 2015:

	<u>Polar Plunge</u>	<u>Other</u>	<u>Total</u>
Revenues	\$ 1,145,543	\$ 804,928	\$ 1,950,471
Expenses	<u>(225,616)</u>	<u>(246,401)</u>	<u>(472,017)</u>
	<u>\$ 919,927</u>	<u>\$ 558,527</u>	<u>\$ 1,478,454</u>

10. Retirement Plan

The Organization has a 401(k) plan which covers qualified employees with at least one year of service and who have reached the age of twenty-one, as defined in the plan documents. This plan covers both the employer and employee contributions. The plan includes a non-elective employer safe harbor provision of 3% of compensation and the Organization has elected to contribute an additional 7% of compensation above this provision for the employer profit sharing contribution. Employees are fully vested in the employer's profit sharing contributions after 3 years of service. Total expense for the 401(k) plan for 2015 was \$154,684.

11. Severance Benefit Plan

Effective July 1, 1993, the Organization established a severance benefit plan to provide severance benefits upon the termination of employment of eligible participating employees. Contributions to the plan are made through employee contribution elections in lieu of compensation. There were no employer contributions to the severance benefit plan during 2015.

12. Allocation of Joint Costs

During 2015, the Organization conducted activities that included requests for contributions, as well as program components. Those activities included business and consumer telemarketing campaigns. The costs of conducting those activities included a total of \$128,242 in joint costs, which are not specifically attributable to particular components of the activities. These costs were allocated as follows:

Fundraising	\$ 61,333
Program	<u>66,909</u>
	<u>\$ 128,242</u>

13. Related Party Transactions

The Organization has contributions receivable in the amount of \$28,382 due from Special Olympics, Inc. (SOI) as of December 31, 2015.

The affiliated support for 2015 in the amount of \$41,182 represents the Organization's allocable share of contributions raised by SOI.

For 2015, the Organization was assessed fees by SOI. The total fees included in expenses were \$83,979.

Special Olympics Virginia, Inc.
Notes to Financial Statements

As of January 1, 2013, the Organization has a new agreement with SOI. The agreement calls for SOI to conduct all individual fundraising and public education campaigns of the Organization through an integrated direct marketing program (IDMP). In exchange for participating in the IDMP, the Organization will receive a percentage of the IDMP net income. Total revenue received by the Organization in 2015 in connection with this agreement was \$455,875. This agreement expired on December 31, 2015. In January 2016, this agreement was amended to extend through December 31, 2018, but may be terminated with proper notice by either party.

14. Commitments

The Organization leases office space, storage space and equipment for periods ranging from one month to greater than one year. The total lease expense for 2015 was \$324,895.

The following is a schedule of minimum rental payments required for subsequent years ending December 31 on leases with an initial or remaining lease term in excess of one year.

2016	\$	255,078
2017		225,212
2018		210,038
2019		197,507
2020		190,985
Thereafter		<u>2,427,604</u>
	\$	<u>3,506,424</u>

The Organization had telemarketing contracts with a fundraising consultant whereby the consultant is to provide telemarketing, fulfillment and public education services for the Organization. In exchange for such services, the Organization has committed to compensating the consultant on a fee per contact basis. These contracts expired on December 31, 2015. On January 1, 2016, the Organization renewed these contracts through December 31, 2016. The total fees paid for 2015 were \$128,242.

The Organization has entered into several contracts with hotels and resorts for events to be held in the following year. These contracts require certain commitments for minimum room rentals, use of facilities and food and beverage costs. If the Organization cancels any of these contracts, it would have to pay cancellation fees as stipulated in the contract. These fees increase incrementally as the dates of the meetings approach.

15. Restricted Net Assets

Restricted net assets consist of the following at December 31, 2015:

	<u>Temporarily</u>	<u>Permanent</u>
Tennis invitational tournament	\$ 89,606	\$ 360,000
Project Unify	148,483	-
Scholarships	56,540	250,000
Healthy Athletes	1,154	66,000
Miscellaneous grants	8,379	-
Time restricted pledges	<u>35,000</u>	<u>-</u>
	<u>\$ 339,162</u>	<u>\$ 676,000</u>

Special Olympics Virginia, Inc.
Notes to Financial Statements

Net assets were released from restrictions by incurring expenses satisfying the restricted purposes or by the occurrence of events specified by the donors as follows:

Global Messengers	\$ 28,286
Healthy Athletes	68,257
Tennis invitational tournament	58,487
Scholarships	17,235
Receipt of time restricted pledges	55,000
Medfest	11,274
Miscellaneous grants	150,457
Regional basketball	2,579
Project Unify	236,041
Urban programs	<u>155,306</u>
 Total restrictions released	 <u>\$ 782,922</u>

16. Endowment Funds

The Organization's endowment consists of five funds. The endowment includes both donor-restricted endowment funds and funds designated by the Board of Directors to function as endowments. The donor-restricted funds were established for scholarships to state events, the tennis invitational tournament and healthy athletes programs. The board designated fund was established to support the Organization's efforts stated in the strategic plan to improve program delivery and provide effective support services, as well as to fund healthy athletes programs. As required by generally accepted accounting principles (GAAP), net assets associated with these endowment funds, including funds designated by the Board of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

At December 31, 2015, the endowment net asset composition by type of fund was as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Donor-restricted endowments	\$ -	\$ 105,787	\$ 676,000	\$ 781,787
Board-designated endowments	<u>569,505</u>	<u>-</u>	<u>-</u>	<u>569,505</u>
	<u>\$ 569,505</u>	<u>\$ 105,787</u>	<u>\$ 676,000</u>	<u>\$ 1,351,292</u>

The management of donor-restricted endowment funds is governed by state law under the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as adopted by the Virginia state legislature. Virginia's version of UPMIFA was enacted during 2008. The Organization's Board of Directors has interpreted the relevant state law as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Foundation in a manner consistent with the standard of prudence prescribed by the state UPMIFA law.

Special Olympics Virginia, Inc.
Notes to Financial Statements

A summary of the activity in endowment funds for the year ended December 31, 2015 is as follows:

	<u>Unrestricted</u>	<u>Temporarily Restricted</u>	<u>Permanently Restricted</u>	<u>Total</u>
Endowment net assets, beginning of year	\$ 593,432	\$ 140,657	\$ 671,000	\$ 1,405,089
Contributions	-	-	5,000	5,000
Investment return:				
Investment income	15,498	22,563	-	38,061
Net realized and unrealized loss	(16,422)	(23,920)	-	(40,342)
Appropriations for expenditure	(23,003)	(33,513)	-	(56,516)
Endowment net assets, end of year	<u>\$ 569,505</u>	<u>\$ 105,787</u>	<u>\$ 676,000</u>	<u>\$ 1,351,292</u>

From time to time, the fair value of assets associated with the individual donor-restricted endowment fund may fall below the level that the donor or state UPMIFA guidelines require the organization to retain as a fund of perpetual duration. In accordance with GAAP, any deficiencies of this nature are reported in unrestricted net assets. As of December 31, 2015, there were no such deficiencies.

In accordance with state UPMIFA law, the organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the fund, (2) the purposes of the Organization and the donor-restricted endowment fund, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the investment policies of the Organization.

Endowment Investing and Spending Policies

The primary objective of the Organization's investment policy is long-term capital appreciation and growth of the endowment to generate additional resources for use in accordance with donor intent. The custodial account consists of common stocks, fixed income investments and cash equivalents.

Unless otherwise specified by the donor, the Organization's spending policy is to draw 4% of the investment annually. From time to time, due to unfavorable market conditions, the fair value of assets associated with the individual donor-restricted endowment funds may fall below the permanently restricted net assets amount. When fund deficiencies exist, the Board of Directors will evaluate the spending policy and make decisions, utilizing the above criteria, which the Board deems prudent. In establishing this policy, the Organization considered the long-term expected return on its endowment. Accordingly, over the long-term, the Organization expects the current spending policy to allow for long-term capital appreciation of the endowment. This is consistent with the Organization's objective to maintain the purchasing power of the endowment assets held in perpetuity as well as to provide additional real growth through new gifts and investment return.

17. Comparative Totals

The financial statements, specifically the statement of functional expenses, include certain prior-year summarized comparative information in total but not complete detail. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for 2014 from which the summarized information was derived.
