To: HOD's & Volleyball Coaches, Unified Partners
From: Bryan Schubring, Director of Sports & Competition
Date: October 24, 2016

CHECK IN PROCEDURES

It is our goal to try and do volleyball divisioning as quickly and efficiently as possible. Please make note of the following bullet points listed below:

- Each team will play **two** scheduled games. (not matches) Each 30 minute time block is ONE SET to 25 points.
- We will use the three serve rule for all divisioning games in order to see more players serve.
- Teams do not need to wait to be dismissed; they may leave when they have played their two games.

Preliminary play is a part of the competition and teams are required to participate in the preliminary play. The check-in process will go as follows:

- I. It is the responsibility of the Head Coach to report to the commons area (Olivia's Table) in the facility 30 minutes prior to your first scheduled game time where you will do the following:
 - Verify your roster. (This means report your scratches and activate any registered alternates if necessary.)
 - We will also request your mobile phone # as well as the color of your jersey.
 - From that point you should know what court to report to according to the schedule provided below. Report to that court and get ready to play.
